Process for Diabetic Shoes

1. Need to have one of the following condition along with Diabetes
 - a. Previous amputation of the other foot, or part of either foot, or
 - b. History of previous foot ulceration of either foot, or
 - c. History of pre-ulcerative calluses of either foot, or
 - d. Peripheral neuropathy with evidence of callus formation of either foot, or
 - e. Foot deformity of either foot, or
 - f. Poor circulation in either foot
2. You need to see one of the following doctors to get a prescription within the last 6 months:
 - a. Endocrinologist
 - b. Podiatrist
 - c. Or a doctor that is treating both Diabetes and the patients' feet
3. Prescription is done
4. Call for appointment 804-649-9043
5. One of Powell's Orthotist will come to the site to do the initial evaluation
6. Once we have all documentation we will schedule delivery appointment at Powell facility
